2/ In the circumstances explained in the letter accompanying the estimate on p 1 of (T), Pris Dept may accept the proposal of the I.G. ~~It may be noted that if this~~ "minor work" is to be executed during the current year, the monetary[x] limit fixed for minor works for 1954-55 will have to be enhanced. It may be mentioned that in certain other requests by the I.G. for enhancement of the monetary limit, to execute certain works during the current year, Finance advised against the further enhancement of the present monetary limit, and suggested that the I.G should make it possible to finish

(T) This I.G has asked for administrative approval.

x Rs. 76800/- sanctioned in Memo No. 1104 Finance dt/- 27.8.54 (not put up)

Memo No 166550/Pr II/54-3 13-9-54

Memo No 84253/Pr II/54-2 6.8.54 (put up in another file & D.A & no P/L in)

~~Those small amounts are within the monetary limit~~ of Rs 76,800/- sanctioned in C.O. Memo No 1104 Finance dt- 27.8.54, if necessary by postponing some minor works of a less urgent nature. Hence, as suggested by Finance in another separate file, it is for orders whether this Dept may recommend this proposal to be included among the "minor works" to be executed from the lumpsum provision that will be made under "Minor Works" of the Tamil Dept for 1955-56

P.W.D and Finance may see for remarks
